You are correct that Gary Fisher is and remains the Project Coordinator. The Data Gap Addendum 1 should not have identified John Persico as serving in that role. We apologize for any confusion this may have created with the Agency. If you have any questions or would like to discuss further, do not hesitate to contact me.

Rich –

It's not clear who is acting at the Project Coordinator. Gary Fisher is the Group's designated Project Coordinator, however, we received a revised Data Gap Addendum 1 with John Persico as the Project Coordinator.
